Foreword

As you look back to the year 1970-71, what will you remember?—the endless classes, the pep rallies, the honors, the plays, and the students all jumbled together as if in a kaleidoscope. Remember the confusion of getting floats ready for Homecoming, the excitement of the football games, and the laughter and tears throughout the year. Emotions are scrambled together as quickly and as confusingly as the pieces of a kaleidoscope. No two persons will ever remember the same people and places just as they could never see the same pattern of a kaleidoscope. Something always changes unless it is captured in pictures. This is what the 1970-71 ROUND-UP is for—to capture the kaleidoscope of people, events, and emotions that form our school year.

Student Life

Each stone in a kaleidoscope is an individual piece. Each piece enjoys life in his own way and with a variety of people. Even though each piece is different, there are a few things that all of the pieces have in common. The daily routine of school work, the frenzy of the ball games, the ecstacy of winning a game, and the adventure and joy of a friend, are a part in the lives of almost every student at Hereford High.

Classes Play An Important Part In A Student's Life . . .

Kevin Evans takes pointers on drumming from Mr. Wright.

While leaving school after a long, hard day, a student looks back.

Many hours of reading are put in by Carol Scott for Mrs. Billingsley's English class.

Everyone Participates in Pep Rallies

Mrs. Buck and Mr. Golehon bury each other in whip cream pie to the enjoyment of the student body during Homecoming pep rally.

Pep Rallies Add Enthusiasm to HHS

Laughter, chants, loud, lively music, enthusiastic people, and energetic cheerleaders describe the atmosphere of a typical pep rally. The excitement of the approaching ball game not only begins at the pep rally, but continues throughout the day. The studious environment relaxes and everyone can enjoy the contagious school spirit.

Donnie Houle gallantly kisses Mary Ann Hoffman as he crowns her 1970-71 Football Queen.

Terie Beth Line twirls a feature number during the last football pep rally.

Signs such as this decorated the gym during pep rallies, contributing a spark of contagious spirit.

Sara Bell refreshes her memory on a skit before pep rally.

A look of surprise swept over Terie Beth Line's face as it was announced that she would be the 1970-1971 Homecoming Queen. The attendants and their escorts are Gaby Lottner and David Myers (left) and Shan Banks and Alan Wagner (right).

Ball Games Attract Interest of All

A mighty Whiteface out to score, Cliff Herring makes a basket on a jump shot during practice.

Whiteface fans settle in the stands after pre-game ceremonies.

Before each game, the captains of both teams flip a coin to decide who will receive or kick the ball. Above Donny McDermitt (66), Harold Schmucker (83), and Gary Lemons (63) are shown with the Pampa football team captains.

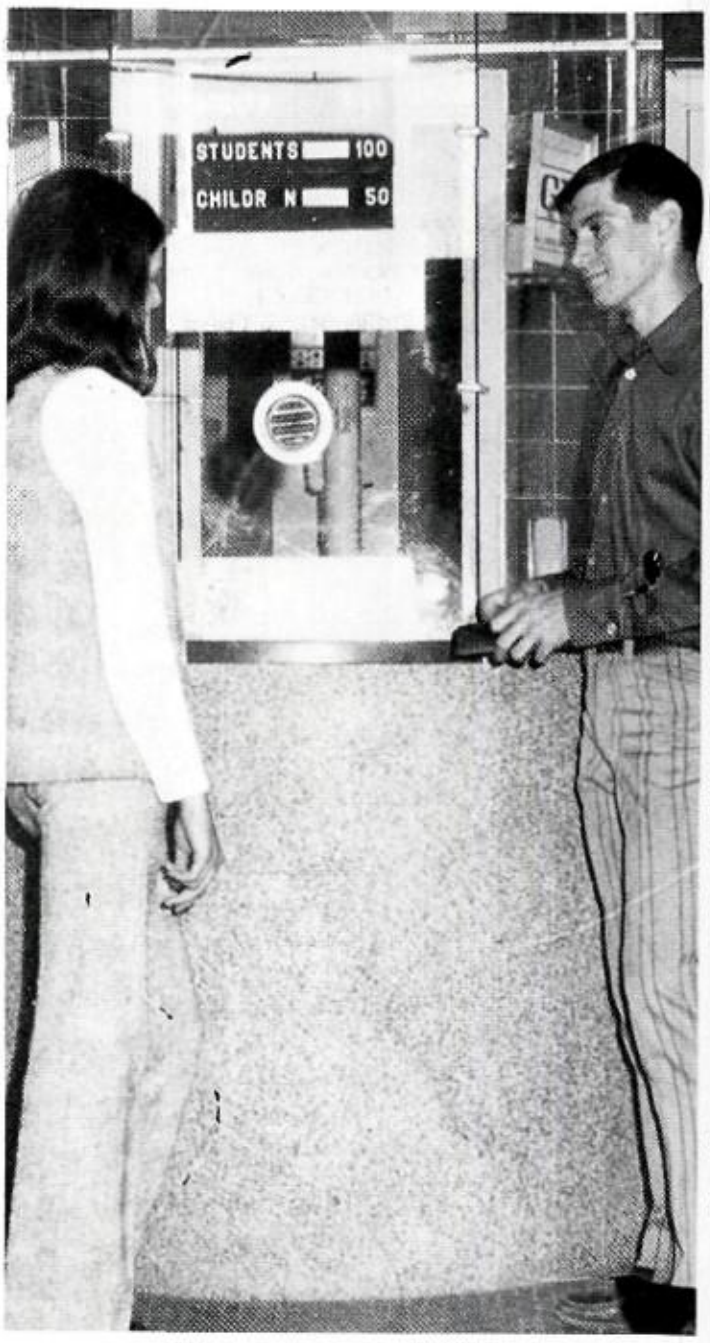
A dreaded part of fall football training for the lineman is "one on one" blocking techniques.

Hector Rodriquez and Walter Olson take a breather during a long, hot, Saturday game.

Dates Are Large Part of Student Life

Homework, school, and classes are all forgotten as Friday appears and the dating scene is on the top of the list to all students. Whether going to a loud, lively dance, or only making the drag and stopping for a soft drink, it provides the opportunity for friends to grow while having fun together.

Steve Leasure demonstrates to Darla Springer the proper techniques of pool.



Kathy Loerwald and Terry Champ are about to enjoy a favorite past time of many HHS daters.

Mike Emerson and Mona Gale Gibson spend a quite evening in front of the fireplace.

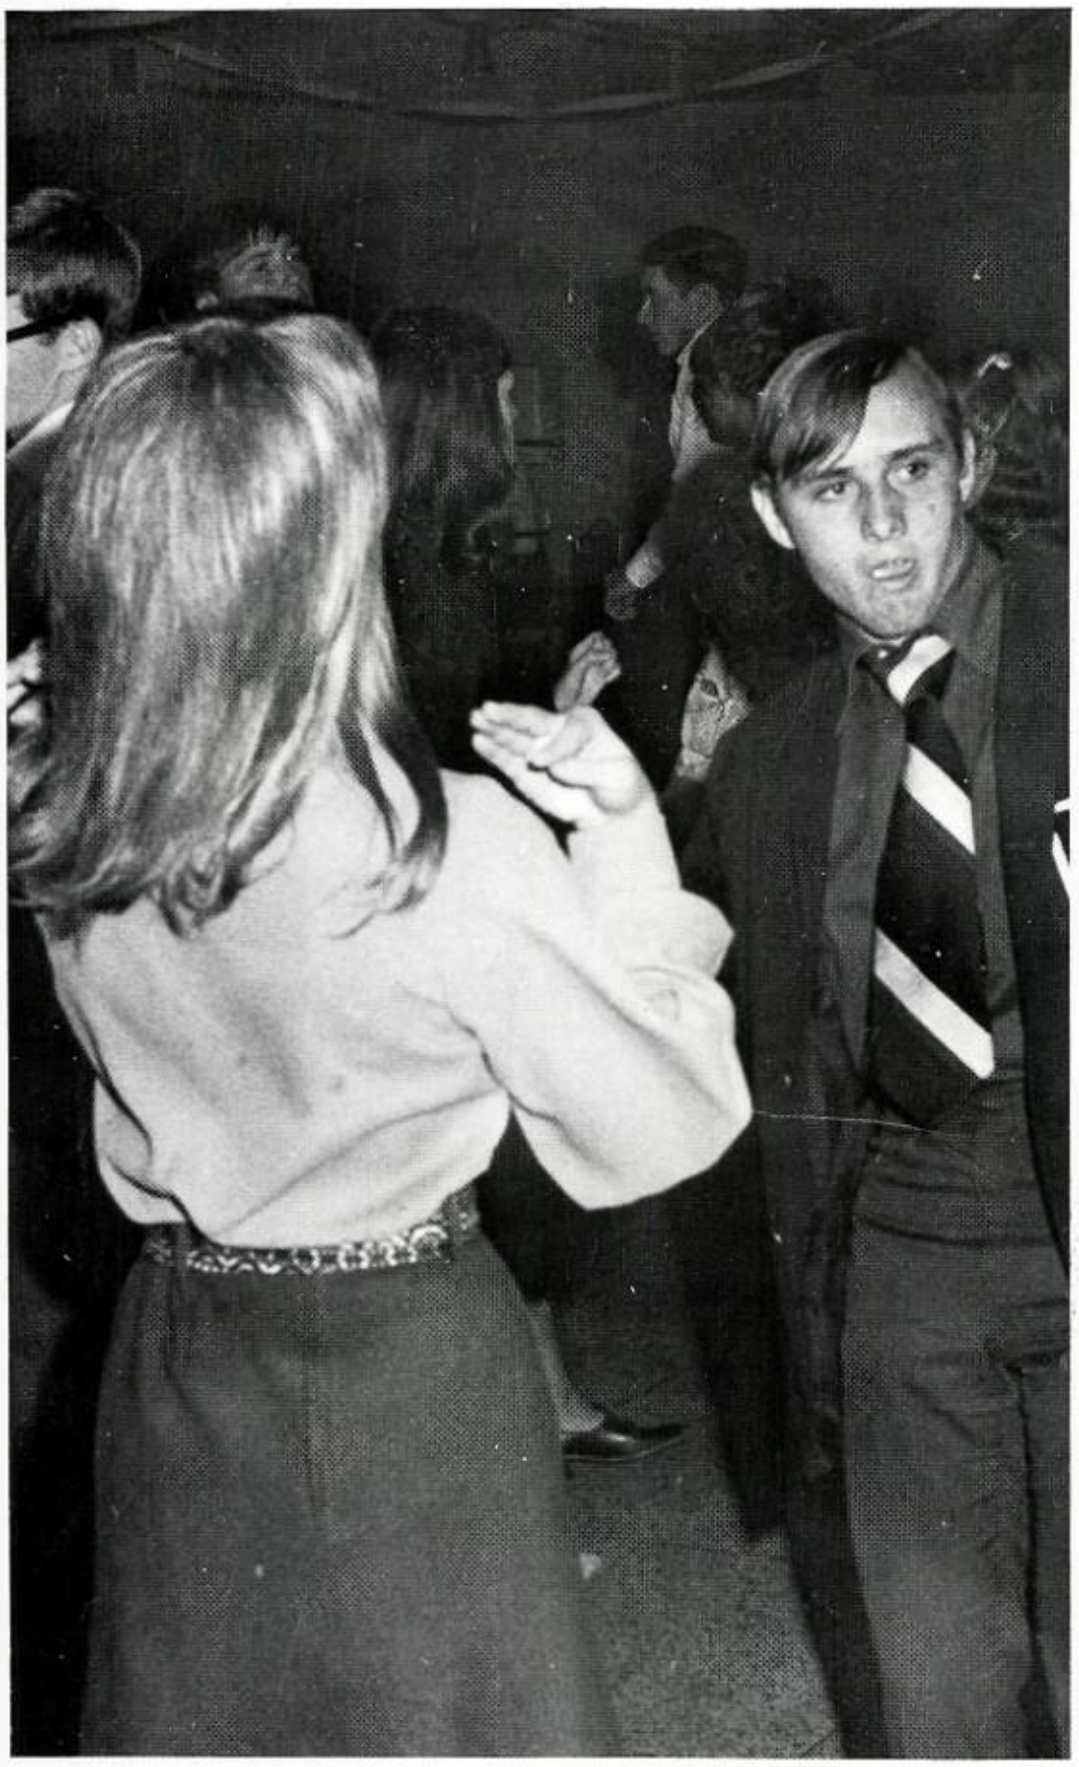
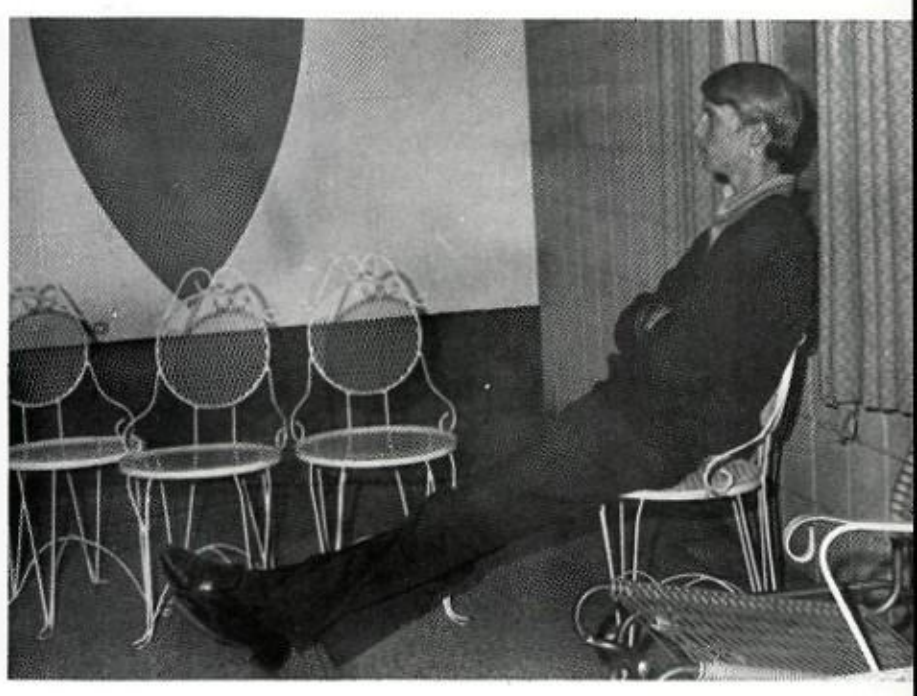
Kathleen Robinson and Dan Gorman find out that love does funny things as they read the menu up-side down.

Dances Provide Fun & Relaxation

Loud music, lots of people, and gobs of conversation, this is the mood of dances in Hereford. Dances on Friday nights after the games, or on Saturday nights, give the students a chance to relax, have fun, and "do their thing."



Mary Ann Hoffman and Donny Houle dance to the music provided by "Number One"



Steve Cavness relaxes during break at the dance after the Monterey-Hereford football game.

Students move freely to the beat of the band at the dance after the last home football game.

Harold Hill Hits Hereford

Boom! Clash! Tweet! Bang! were the sounds heard at the exciting, fast-moving production of the "Music Man." For four weeks every ounce of energy was spent preparing for opening night and an auditorium of anticipating faces waiting eagerly for a fantastic performance. Each participant, whether in the cast, in the orchestra, or on the stage crew, realized the importance of producing a good show to reflect their pride in Hereford High School.

Organizations

Kaleidoscopes contain many pieces, each with their own special place in the pattern. Through organizations, individuals learn their place in the pattern by participating in the various club projects, attending meetings, taking responsibilities, and making friends. Each piece in a kaleidoscope has a particular purpose just as each organization does. Every club is vital to Hereford High School, satisfying the needs of every student.

Student Council's contribution to Sophomore orientation is 'supposed' to illustrate the parts of an automobile as compared to the different 'parts' or organizations within HHS.

Involvement has been the challenge met by the 1970-71 Student Council. Not only the involvement of members in activities within our own community, but also the involvement of the council on district and state levels. A more active student council means better communication, the prerequisite for a successful council. Organization, sound leadership, and the enthusiasm of the members have distinguished this year's council as a winner.

Busy with Homecoming activities, Mike Wartes is the type of leader who establishes a close relationship among the council, the student body, and the faculty.

Sports

Each member of the teams in sports is important just as each kaleidoscope piece is important. The teams must practice long hours to make their game precise, fitted together like the pieces of a kaleidoscope. Exactness, durability, ruggedness are required; all must be perfected. In a kaleidoscope, the pieces have a pattern that must form just as the players on a team have a pattern to conform to. Nothing is more thrilling than an exciting ballgame or track meet. Anticipation, fear, joy—emotions are mingled together forming a fascinating pattern that is constantly changing. Sports create a unity in purpose for Hereford High School students while still leaving room for individuality.

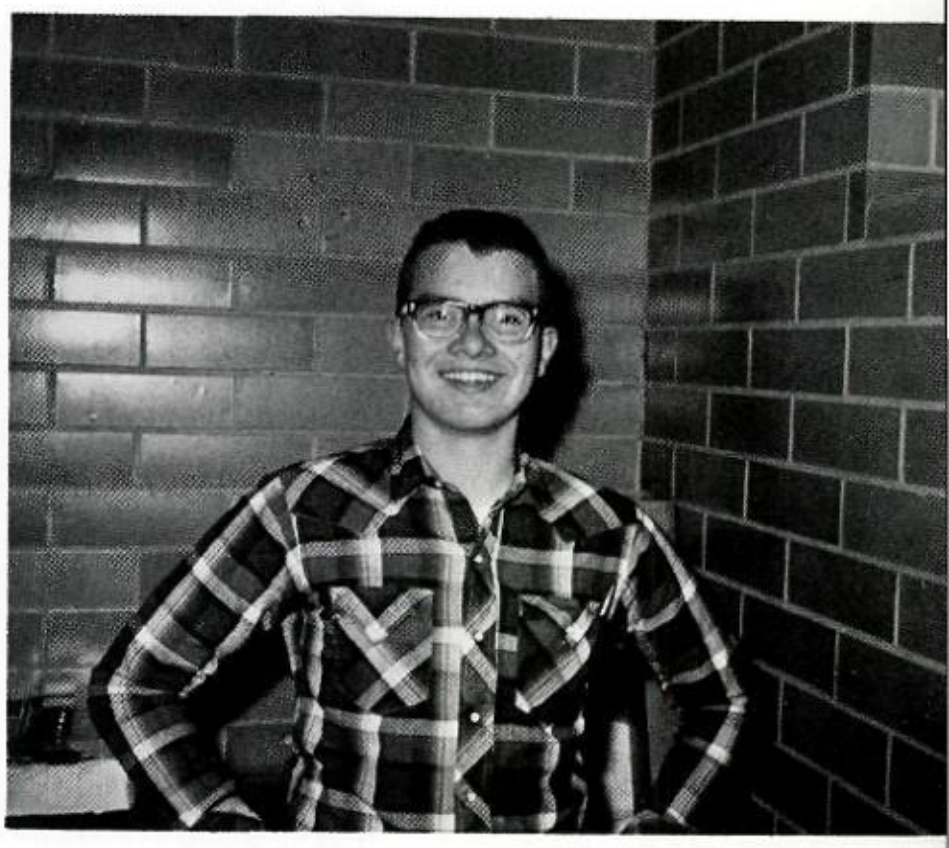
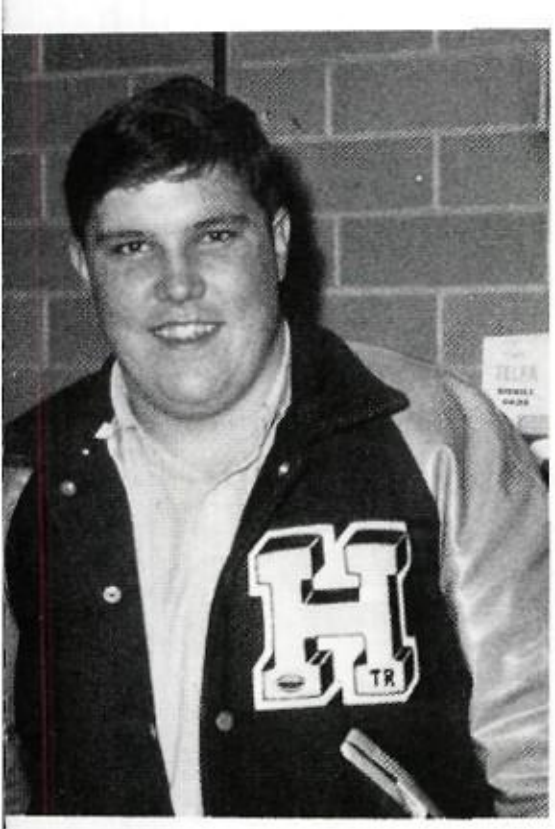
Trainer and Managers - Vital to Herd

Carl Brownd, Trainer, aids a Whiteface after an unusually hard blow.



Junior, Owen Dull serves as Manager for the Mighty Herd.

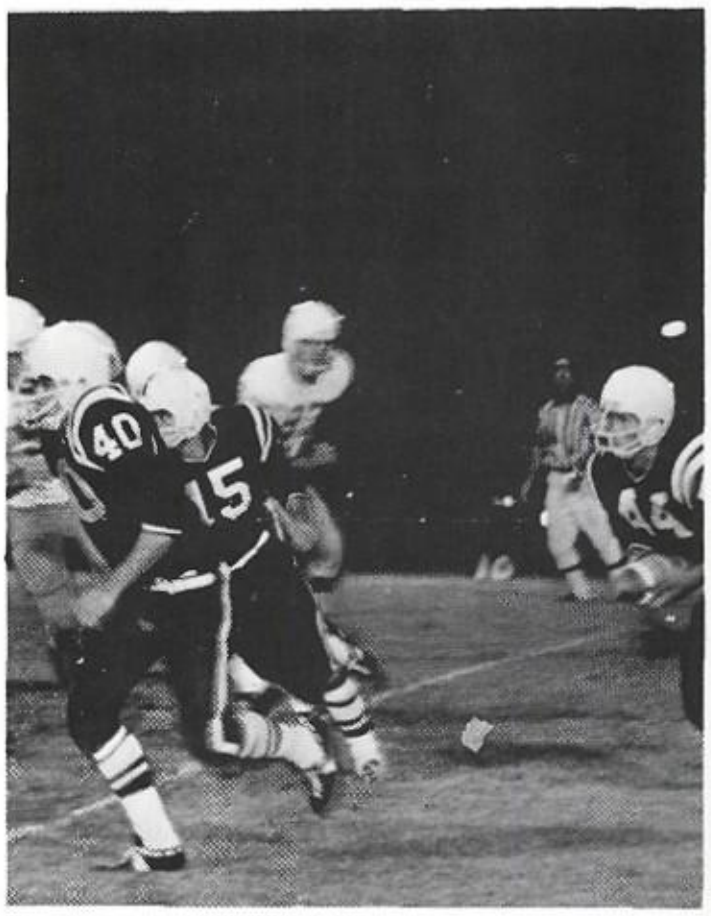


ill Smith, Senior Manager, proves his kill as a member of the team.

Carey Black, Sophomore, learns the ropes as a manager for the team.

Game Lost in Final Seconds

Season openers always prove exciting, and when the Pampa Harvesters came to town, it was no exception. Playing its first game in Class 4–A, the Herd had its problems, resulting in 5 offensive fumbles, which a bruising Pampa running attack turned into three scores. Late in the second quarter Hereford found the range as John Page scored on a four yard pitch out, but the conversion failed and the Herd was facing a grave fourth quarter score of 21–6, Pampa leading. Exciting was barely the word as Sophomore running back Danny Harris capped long drives of 61 and 80 yards for scores and subsequent runs for two-point conversions that sent the Whiteface into an unbelievable 22–21 lead with only a minute left. Lady Luck really had the last say in the matter as Pampa kicked a 35 yard field goal with virtually no time on the clock to pull out the final 24–22 victory, frustrating Hereford's late bid.



Rick Ward "40" and Mike Wartes "15" lead the way for Jr. tailback John Page "44" against tough Pampa line.

Dons Overpower Herd

It's the little things that count, and consistency was the one that gave the Herd its problems as the Palo Duro Dons turned 4 fumbles into scores and frustrated all Herd attempts to make up the difference of a final 42–14 score, Palo Duro. Trailing 42–0 late in the fourth quarter, Alan Wagner scored on runs from 1 and 2 yards out after long drives that had been previously hampered by a stout Don defense. Poor field position attributed by a strong kicking game was another major factor.

Herd Battles Cold at Clovis

Playing the cold is sometimes as hard as playing the opponent, and both showed up at Clovis. Both teams found the going tough as a lone touchdown by Clovis was all the difference until the 3rd quarter when Rick Ward tied it up with a score from 19 yards out, the conversion failed. This warmed things as the Cats produced two touchdowns and extra points to match. Jeff Loerwald scored late in the fourth quarter, but the game was as good as on ice, weather wise and score wise, Clovis 20–Herd 12.

Herd Loses by Field Goal

For the second time this year, a long distance field goal was the only difference as the Dunbar Panthers pulled out a close one over the Herd. Doing all its scoring in the first half, Dunbar led 17–0 before the Herd got its offensive attack going. With 20 seconds left in the third quarter Mike Wartes connected with Harold Schmucker for a 13 yard scoring pass that was the climax of a 66 yard drive, followed by a two–point conversion. The Herd's other score came in the fading minutes of the fourth quarter when Alan Wagner went over from four yards out.

Sandstorm Hits Hereford

The Herd displaying an impressive control of the ball-type game during its first possession lost the touch too soon as the Amarillo Sandies beat the Herd at the same type of game, ball control. Scoring thrice on the ground and thrice in the air, the Sandies controlled almost all phases of the game, including defense. The Herd's only score came in the middle of the third quarter by way of a Mike Wartes to Alan Railey pass that went over from six yards out.

Opening the way for the backfield, this shows where the game is really played, on the line.

In their last non-conference game, the Herd still had its problems as five interceptions and five fumbles in a field of mud gave the Dumas Demons a 14–2 decision. Neither team really had the advantage, as weather took its toll in loose footing and slippery hands, that stopped any substanial drives. Both Demon scores came in the second quarter, one on a run and the other a quick pass out. From then on it was a defensive battle up and down the field with the Herd finally winning that much of the game by trapping the Demon QB in the end zone for the only Whiteface scoring.

Bruce Barrett, Jr. Def. End

Playing to a capacity Homecoming crowd, the Herd showed flashes of success only to be denied in the end of the Homecoming victory and their first district victory. The Whiteface struck first as Jeff Loerwald kicked a 35 yard field goal, which was followed closely by a scoring run of 7 yards by Alan Wagner. All this taking place right before half time. Lightening struck fast as Coronado intercepted the first pass of the second quarter and scored one play later with a two point conversion, that narrowed the gap, 10–8, Hereford. Scoring again on their next three possessions with a set of 2 point conversions, Coronado widened their lead to a 30–10 margin before the Herd got its attack going again. Playing in his first varsity game, Richard Sierra dumped a Mustang back in the end zone for a safety, and the Herd a chance with their last possession. Quarterback Rudy Gonzales in his first game appearance also showed that the reserves had the talent as he connected with Jeff Loerwald for a 44 yard touchdown pass with 5 seconds remaining. A fake kick with a pass from Wartes to John Sparks scores two more points, but the clock just ran out on all Homecoming hopes.

"Maroon Gang". Slaughters Plainview

Putting it all together, the Herd picked up its first win of the season over a new district rival, the Plainview Bulldogs, by the score of 29–14. Starting things off for the Whitefaces, Jeff Loerwald kicked a 37 yard field goal in the first possession and the Herd was moving. The ball was in the air as Mike Wartes threw three touchdown passes, two to Jeff Loerwald and one to Harold Schmucker. Plainview got on the score board late in the game with two touchdowns. Mike Wartes wrapped the scoring up for an important district win with a quarterback sneak.

Shooting for the upset that would throw the conference into a three-way tie and the Herd in the middle of it all, the stage was set for Monterey. Showing that they meant business the Whitefaces scored twice late in the first quarter, starting with a Quarterback sneak by Mike Wartes from a yard out and ending with a 16 yard run by Rick Ward with both conversions good. Taking it in at the half, the Herd led 14–7. Things started happening, as they usually did, in the second half as a massive Plainsmen ground attack all but controlled the last two quarters, in the number of plays, number of yards gained, and where it counted, the number of points scored with four big touchdowns.

Herd Captures Third Place in District With Lubbock Win

Wrapping up its first 4–A season, the Herd went out on a winning note, trouncing Lubbock High 29–8. Doing the thing they do best, the Herd put the ball in the air with two to Mike Wartes throwing three touchdown passes,

Wrapping up its first 4-A season, the Herd went out on a winning note, trouncing Lubbock High 29–8. Doing the thing they do best, the Herd put the ball in the air with Mike Wartes throwing three touchdown passes; two to Jeff Loerwald and one to John Sparks. For variety, Rick Ward scored on a 13 yard scamper, followed closely by a Jeff Loerwald field goal of 27 yards. Lubbock did mount one scoring drive late in the third quarter. Surprising everyone, but themselves, the Whitefaces finished 2–2 in district play, finally putting together what was so elusive at the first of the season for a third place showing.

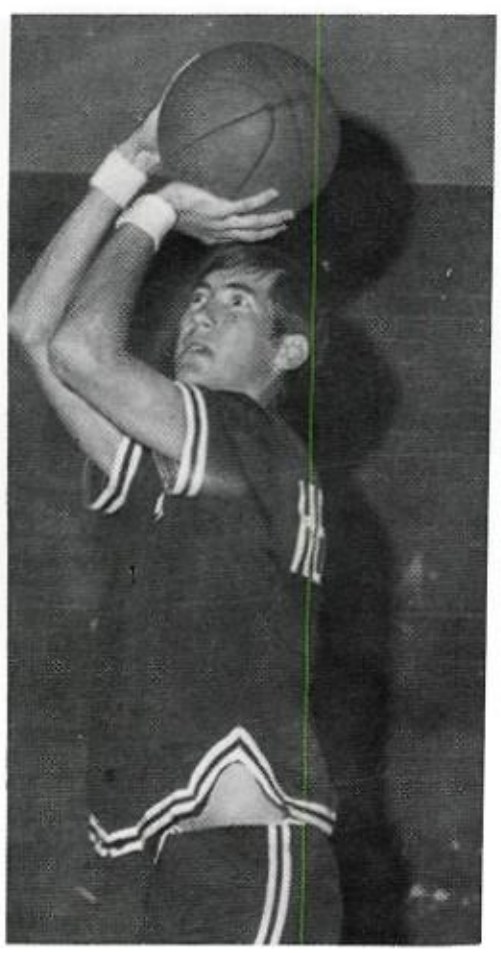
Hereford 66 Coronado 45

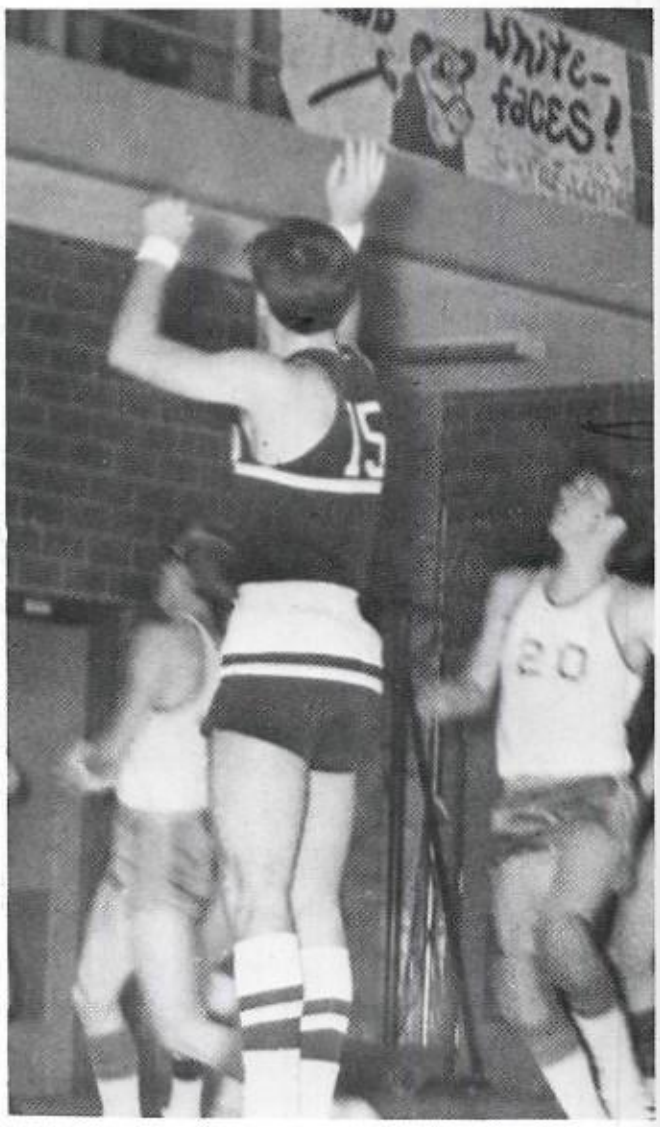
Whitefaces shackled Coronado with a full court pressing defense with a 66-45 victory. The first quarter let Hereford jump into an early 16-5 lead, the Herd acted quickly to rattle Coronado with their press. At halftime Hereford was leading Coronado 33-20. "Mayberry's Mob" disposed of the Mustangs without difficulty. Senior Mike Wartes threw in 15 points to become high-point man.



Blake Arnwine - guard

Coronado 55 Hereford 62

Second quarter rally buried the Coronado Mustangs and sparked the Whitefaces to a 62-55 victory in the first game of District 4-AAAA second half basketball play, as the Whitefaces played their frustrating Mayberry Press at Lubbock Coronado. By the time the halftime buzzer sounded, Hereford was out front, 30-22, never to trail again. Mike Wartes, Senior, lead the Herd with 20 points.



Two points are scored by Mike Wartes.

Lubbock High 46
Hereford 45

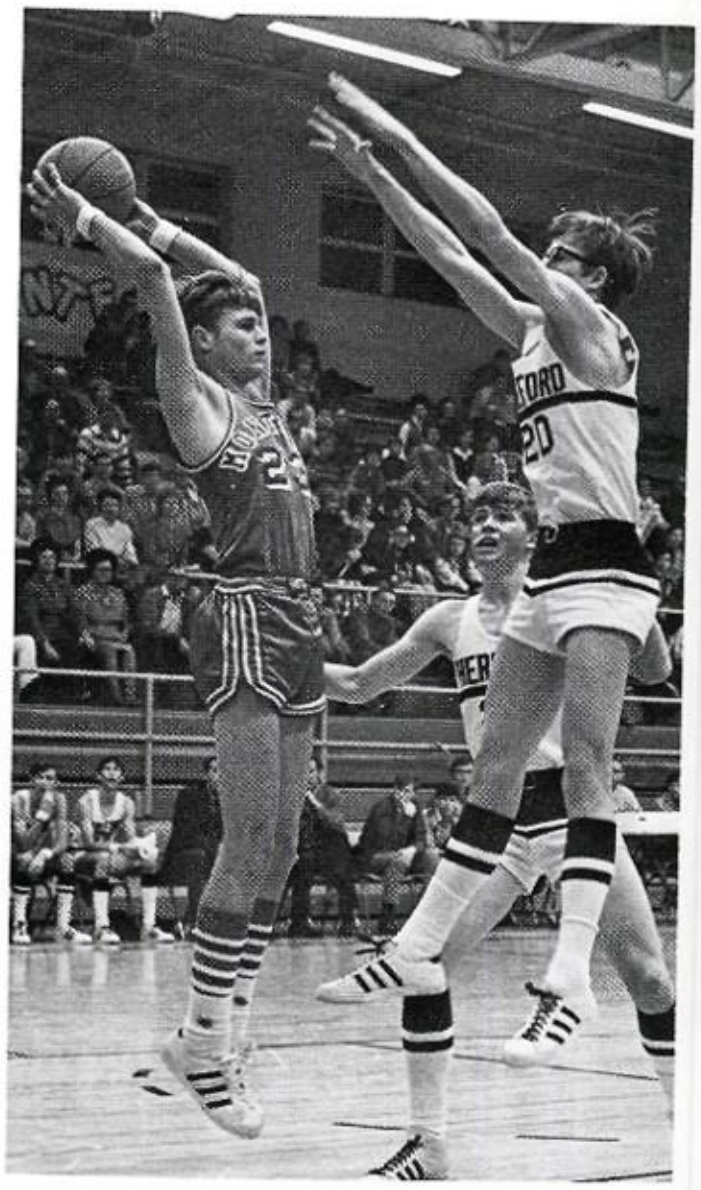
From a crowd standpoint and the nip-and-tuck manner of the game, the contest could not have been better, despite the fact that it was a defeat for the mighty Whitefaces. Hereford led 17-13 after one quarter and 28-25 at the half before the Westerners deadlocked the game, 37-all, after three quarters. Sophomore Keith Kitchens sunk 11 points to lead the Whitefaces in scoring.

Hereford 50 Lubbock High 62

Mayberry's Mob led Lubbock after one quarter, 13-12, and at the half, 27-26. But the "Mob" suffered an extremely cold night from the field, hitting only 27.7% of their shots (18 of 65) which downed the Herd 62-50. Kitchens scored the most with 13 points.

Herd Falls to Monterey

Diane Smith was chosen to represent the players as Basketball Queen.



John McNey and Dana Rush double team a Monterey player in a full court press.

Mike Wartes - guard, 1st Team All District, Co-captain

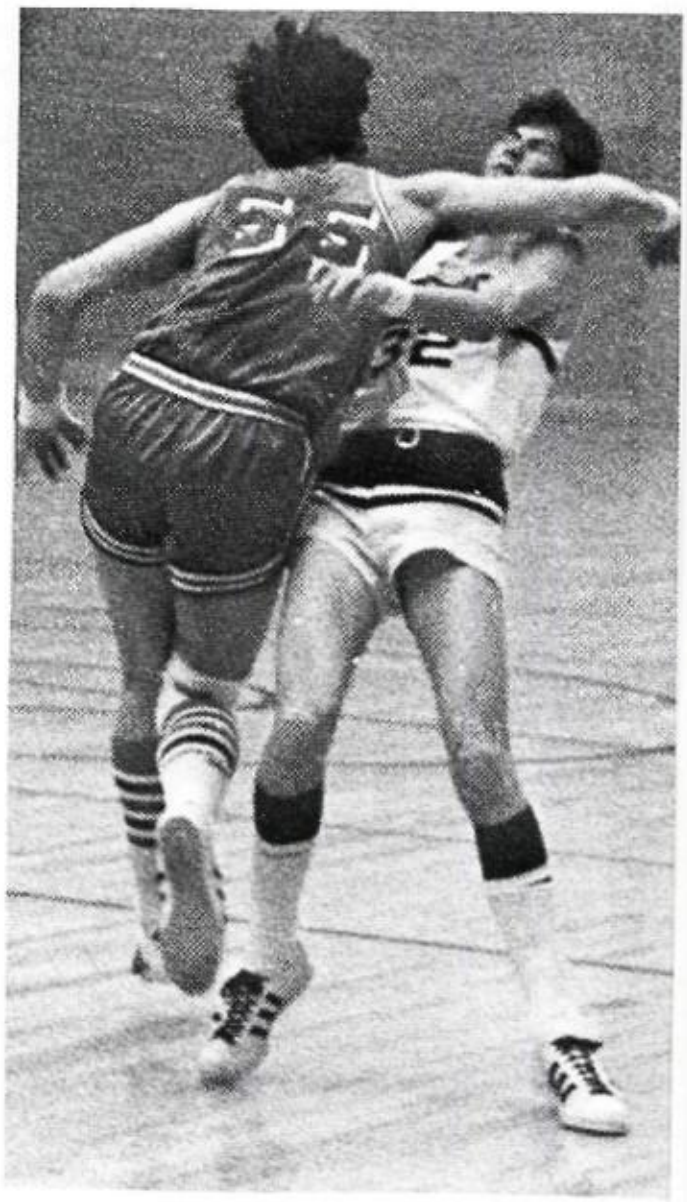
Hereford 53 Monterey 61

By defeat Hereford lost its chance to share first-half honors. Again Hereford suffered foul trouble. The Whitefaces were whistled down 26 times and Monterey 18. Monterey turned a 6-6 tie in the first quarter to a 32-21 at the half, with the final score being 61-53 with Monterey ahead. Keith Kitchens, Sophomore, was again high-point man with 17 points.

John McNey - forward, Honorable Mention All District, Co-captain

Monterey 67 Hereford 64

Hereford took a 22-15 lead in the second quarter but then Monterey outscored the Herd 16 to 4 over a four-minute period to jump out into a 31-26 advantage and held a 34-32 half-time lead. That was the cue for Monterey to come back in command with a victory of 67-64. Mike Wartes was high point man with 25 points.



Blake Arnwine is fouled by Monterey player.

District Champs Take Two From Herd

Lester Mays - guard

Super Soph, Keith Kitchens, nets two points for the Herd.

Plainview 63 Hereford 46

The Whitefaces, who dropped to 19-9 for the season and 1-3 in district, played nip-and-tuck the first quarter with Plainview, with the Bulldogs holding a 15-14 edge. The second quarter, Hereford held Plainview scoreless from the field and also controlled the backboards, outscoring the home team 11-4. Hereford's 6' sophomore Keith Kitchens scored 22 points to lead all scorers.

Hereford 65 Plainview 76

Plainview rolled past Hereford to wrap up in the district 4-AAAA season. The Whitefaces held a 21-12 record for the hear and 2-6 in league play. The Bulldogs came with a volley of points to change a 13-13 tie to 17-13 lead at the end of the first quarter and 38-32 at half. Mike Wartes scored 15 points for the Mob.

Personalities

Every kaleidoscope has a few bright stones that stand out from among the others. The Hereford High School kaleidoscope is no different. The massive kaleidoscope needs outstanding individuals to add their personality, beauty, and their scholastic ability to the pattern. Without these individuals to add this variation to the patterns, the kaleidoscope would vary only slightly from the regular daily pattern formed by the regular routines of school.

Germany's Gift is Gaby

Charming, full of pep and fun is German foreign exchange student, Gaby Lottner. Gaby quickly fit into the stream of things at HHS and soon became a full-fledged Texan with a slight foreign accent. Her days were filled with many activities plus the usual school work. The Wilbur D. Gibsons and senior daughter Mona Gale kept Gaby busy with trips and social activities during her leisure time.

Gaby and Mona study hard for a Government test.

The Gibsons teach Gaby how to play pool.

Mrs. Gibson teaches Gaby how to cook American food.

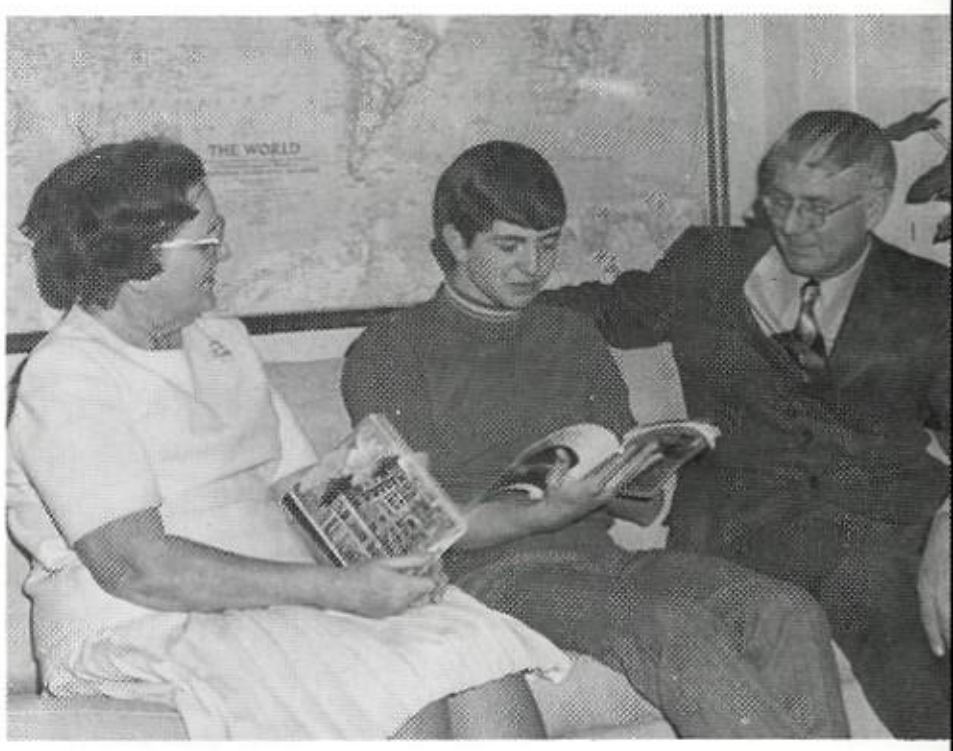
Gaby takes time out to play with the family pets.

Sam learns new ways

"Easy going" Sam Aydin, foreign exchange student from Turkey, finds life in the US quite different from his native land. Even though his favorite sports of soccer and swimming are not offered at HHS, Sam became a rabid spectator of all the sports. Much of his spare time is spent in study and visiting with friends and with his Hereford parents, Mr. and Mrs. George Warner.

A Turkish Texan!

Sam dreams of owning a harem!



An evening with the Warners is spent with Sam showing them sites of his native Turkey.

Kicking the ball soccer style, Sam shows us 'his' football.

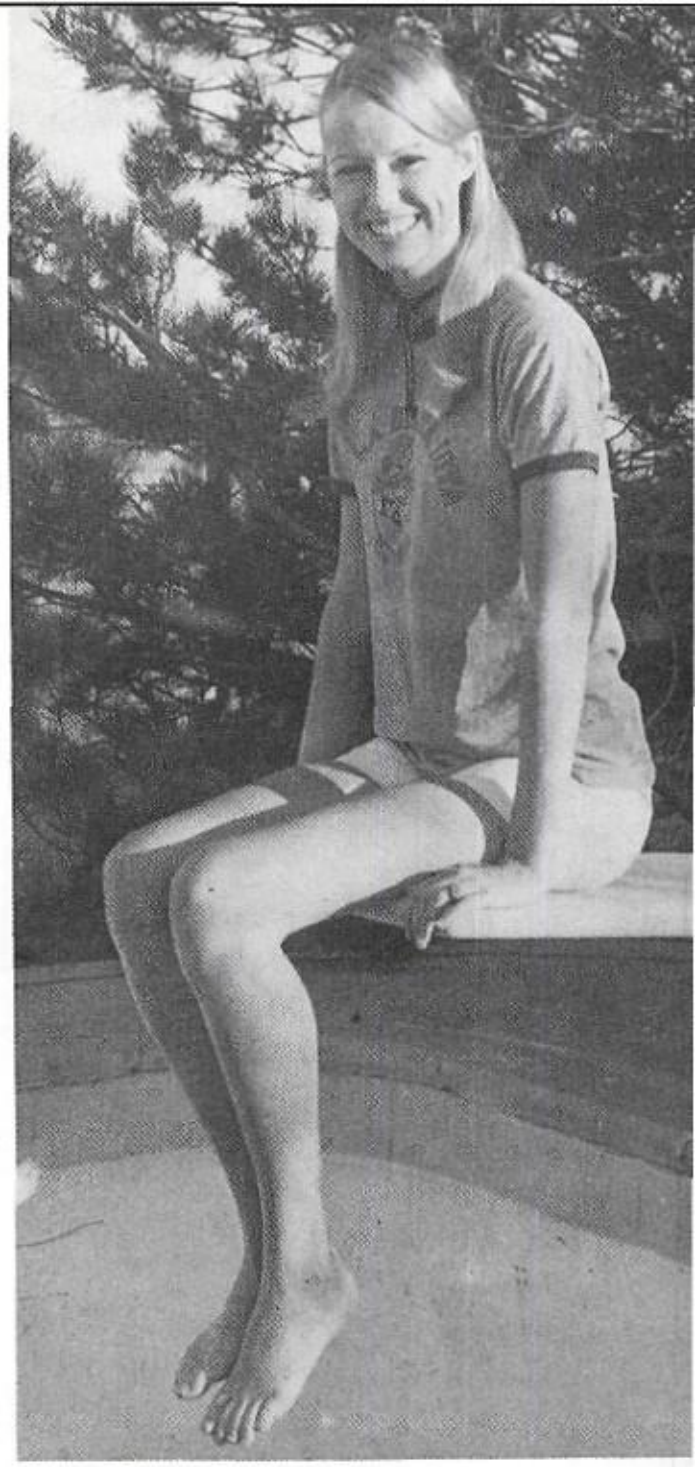
Who's Who in H.H.S.



As Co-editor of the Round-up, Suzanne Solomon finds that involvement in such school activities as band and Tri-Hi-Y leaves her little time to play with her pets. Suzanne exhibits her sparkling personality as a HHS twirler and Easter Lion's Club sweetheart. Her bright smile singles her out as an outstanding person and deserving of Miss HHS runner-up.

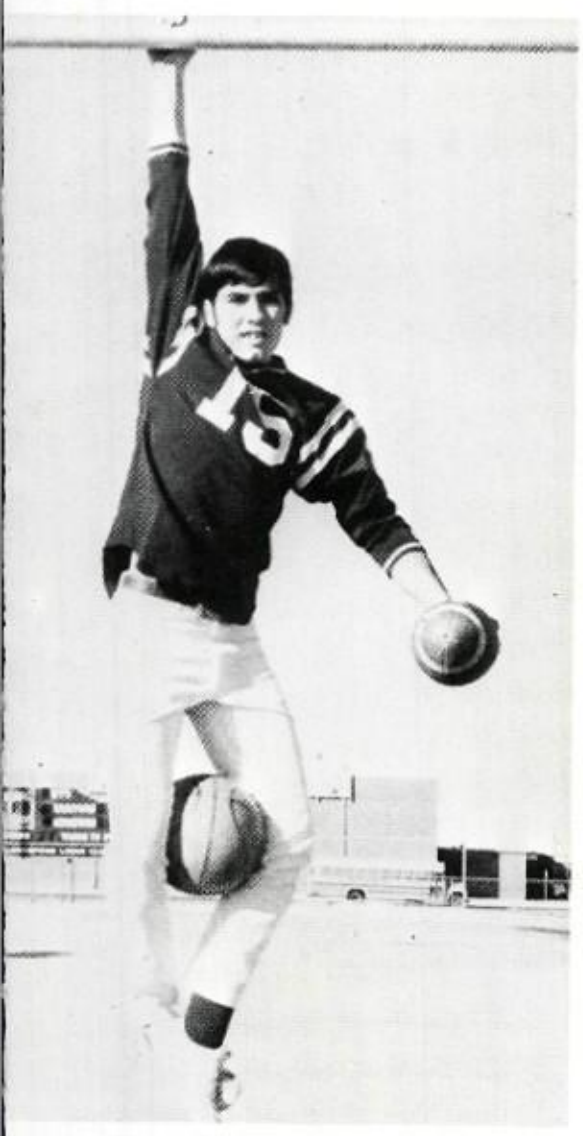
Painting, swimming, and other water sports are just a few of the ways Sara Bell spends her leisure time. At work as either class Secretary, Annual Staffer, or Student Council member; Sara exemplifies why she has received the honors of Citizen of the Year and Personality Queen runner-up.

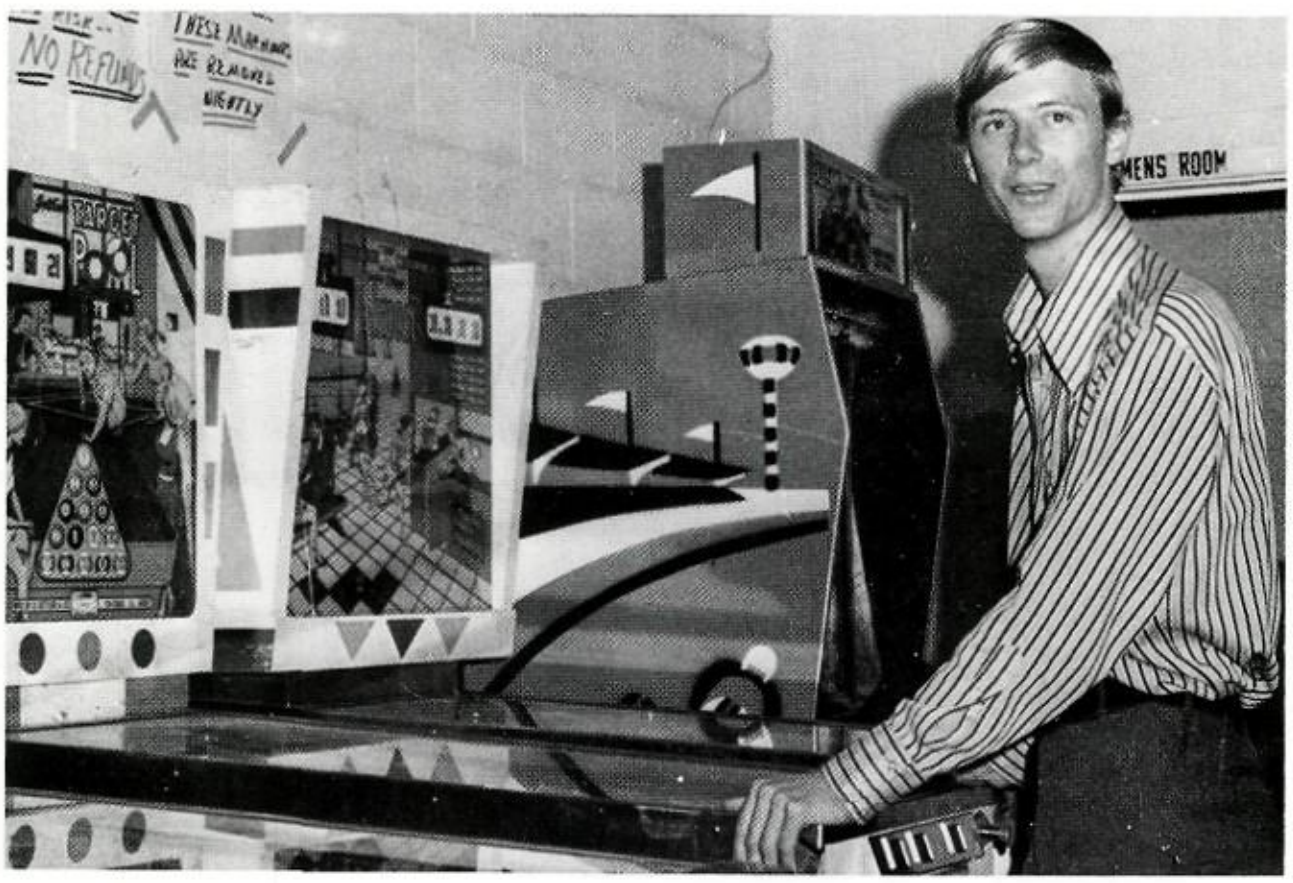
The enthusiastic pursuit of knowledge in the fields of physics, chemistry, and forei languages has qualified Sharon Readhimer to receive such honors as Most Intellectu National Merit Scholar Finalist, and Outstanding Teenager of America. Along with studie Sharon finds time to take on her duties as the President of NHS. She also went to Gir State last summer and has accepted a four year scholarship to Rice University.

Chosen by Teachers on Scholarship, Personality, and School Participation

Tri-Hi-Y Beau, Harold Schmucker has charmed his way into the hearts of the student body as he has been honored as Most Versatile Boy and Mr. HHS. As Co-Captain of the football squad, Harold led the district in pass receiving and went on to win a position on the All-District Second Team. Basketball and baseball fill up most of his after-school hours, along with his duties as Key Club Vice-President.

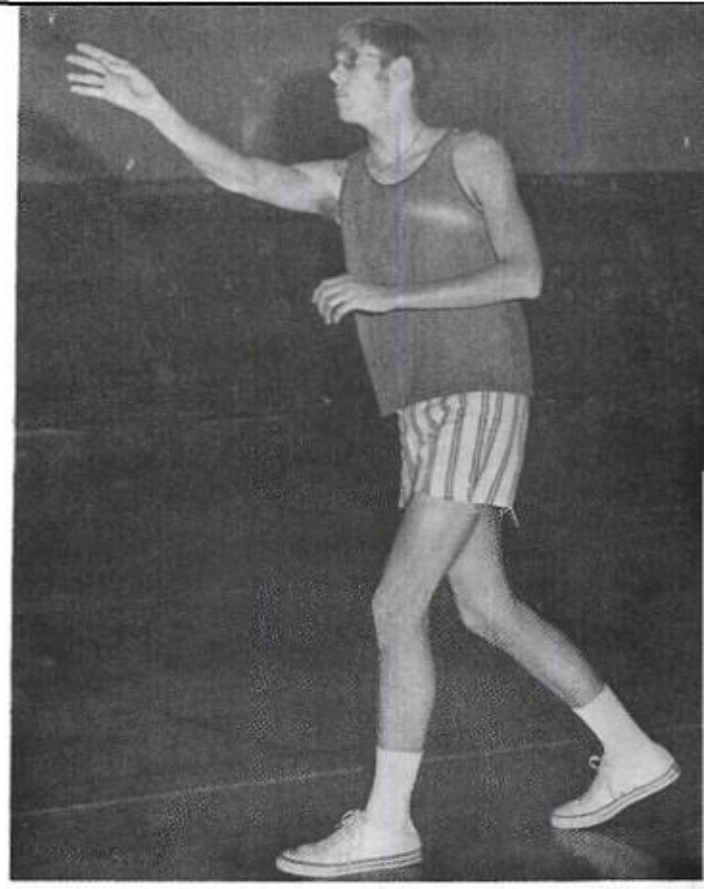
Steve Cavness, alias "Weaver" and "Pinball Wizzard," demonstrates one of his many hobbies. Along with hunting, snow skiing, and playing the organ, Steve keeps busy with his duties as president of the Leo Club and a member of both Student Council and NHS.





As President of the Student Council Mike Wartes has many responsibilities, but still finds time to participate in football and basketball. Mike was chosen as All-District in both sports, All-South Plains in football, and Most Valuable Player in basketball. With so may activities, it's no wonder that Mike has earned the honor of Personality King at HHS.

Students Excel in Various Activities



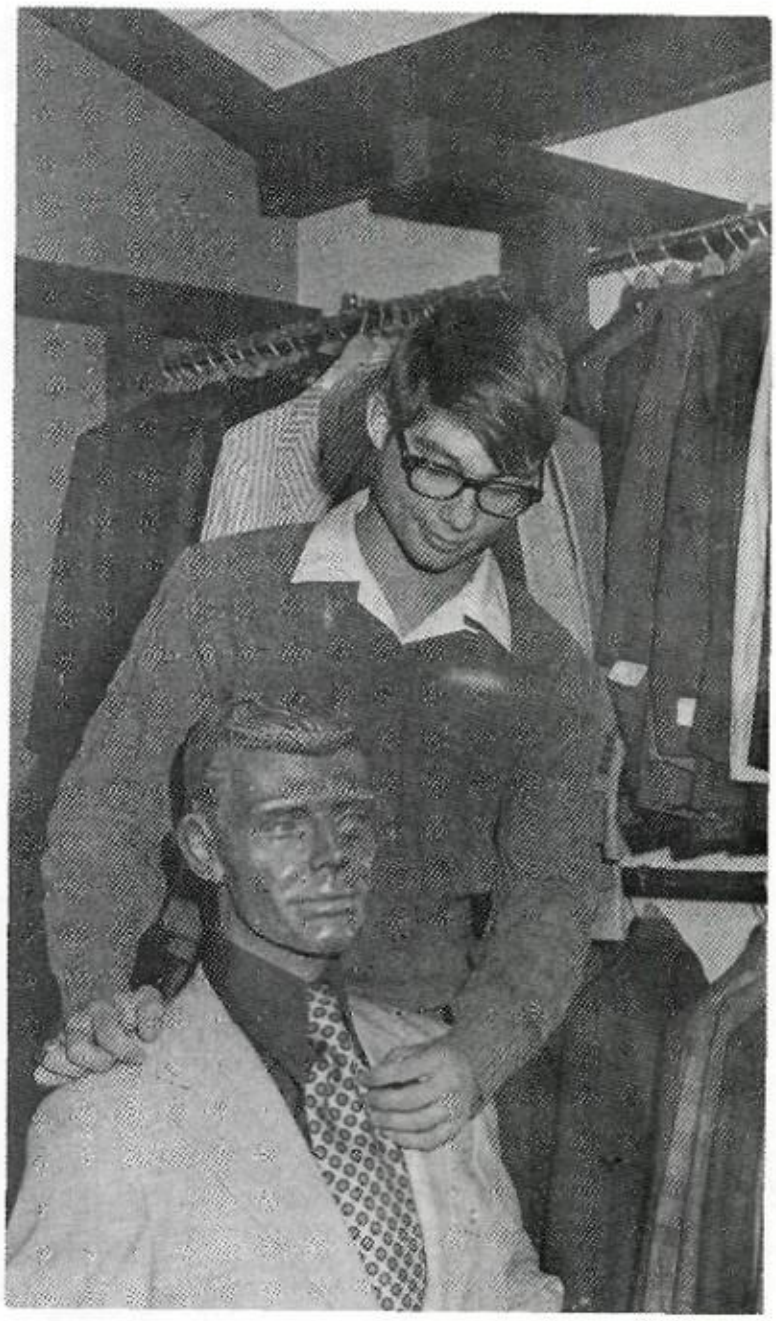
Between a game of handball and stage band appearances, David Henslee finds time to ski, fly, hunt and even work in time for studying in order to maintain a high grade point average. His versatile talents have won him a role in the music department's production of "The Music Man" and the honor of representing H.H.S. at Boy's State.

All-State Choir alternate, Sherry White has used her tremendous singing talent to capture the lead in the annual musical all three years of her high school career. Sherry's leadership qualities have won her positions as a Sr. Pep Squad Captain and as the Young Homemaker's Little Sister.

N.H.S. Vice-President, Kevin Young proves his oratory skills as a forensic member by successfully participating in U.I.L. persuasive speaking and debate. A wide area of interests ranging from working slide-rule to playing the piano in stage band doesn't seem to hinder Kevin's academic accomplishments, which include being named National Merit Commended Student and Most Intellectual.

Head twirler, Terie Beth Line, enjoys snow skiing and other outdoor sports when she's not busy as President of Royal Rose FHA Chapter or in Tri-Hi-Y and NHS activities. With her glowing appearance, she has dazzled many as Homecoming Queen, Jr. Class Favorite, '69 FFA Sweetheart, and Most Beautiful candidate.

Tach President, Patsy Paetzold enjoys flying when she's not busy with Student Council or NHS activities. Her willingness to work and unfailing cheerfullness make her a winning selection for Most Versatile Girl at HHS.



National Merit Scholar finalist, David Collins finds history and math to be interesting, as well as challenging. His duties as NHS treasurer present a sharp contrast to his performance on the gridiron as offensive tackle.

etween jobs at The Brogue and Senior Class President, Donny McDermitt eeps quite busy. Donny participates in football and baseball, acts as ecretary of Key Club, and serves on the Student Council Executive ommittee. His diversified interests were instrumental in his election to enior Favorite runner-up.

Administration

Guideposts are a necessity in every endeavor, whether it is in a magical kaleidoscope or in the lives of hundreds of individuals. The ultimate goal of any guidepost is not to dominate but to help. The faculty of Hereford High School forms the necessary guideposts needed. They help not only by being the guiding figures in education but also by their leadership in the community. By their guidance, they help form the leaders of tomorrow.

Administration of a school system requires men having the knowledge and experience of authority. These men lead the community in directing the management and expansion of the school system.

Classess

Forming the separate stones or pieces of the Hereford High School kaleidoscope are the individual students. Each person at HHS has a place in the massive pattern with all its intricate designs and shapes. Every student is important with their own ideas and faces to add to the halls of our school. Just as the kaleidoscope would not be a kaleidoscope without the brightly colored stones, HHS would not be a school without the students.

Index

Order is a key word in anything. Even a kaleidoscope has some semblance of order. This yearbook of events of HHS also needs order. The index in the proceeding pages tries to give this yearbook that semblance of order. It is not perfect by any means, but like any directory or index, it is an aid to each individual.

The pieces of the 1970-71 Kaleidoscope will explode into new shapes as the students who have made up this kaleidoscope leave, change, and add more color and excitement to their lives and the life of HHS. For the Seniors, it will be a bursting farewell of many colorful joys and sorrows. The patterns they have formed will always remain and never be duplicated in the everchanging life of years to come.
